

Ideas for Purchasing & Utilizing Tickets

Tickets must be purchased from the A's in blocks of 25+. **Contact Jessica Scott of the A's at 510.563.2336 to purchase tickets.** We suggest purchasing Option #2, Plaza Outfield at \$18/ticket (\$450 for block of 25). \$2 per ticket is donated back to the Kiwanis Family House – that's \$50 for each block of 25. Let's drive for 300 tickets from Division 8 Clubs. That's just 12 blocks and would donate \$600 to KFH!

- Split a block of 25 tickets with another Club - Have an Interclub at the ballpark!
- Club members buy tickets and sponsor taking a kid / Key Clubber to the ball game
- Club officers/board use tickets for reward & recognition of club members
- Raffle them off, have a contest, use your imagination
- Have a club social/tailgate at the game
- Donate tickets you can't use to an organization in the A's Community Foundation
